Do You Have the Correct Tax Book?

Form MO-1040 is Missouri's long form. It is designed for taxpayers with special filing situations who need more information to complete and file their individual income tax returns.

YOU MUST FILE FORM MO-1040 IF ONE OR MORE OF THE FOLLOWING APPLIES:

1. You have income from another state or military pay that is not taxable and your filing status is **not** single, claimed as a dependent on another person's federal income tax return, or married filing combined. (If you do have these filing statuses and none of the situations below apply to you, use Form MO-1040C—Short Form to file your taxes.)
2. You claim:
 - a. a pension exemption and/or property tax credit and/or a pharmaceutical tax credit and you also have other special filing situations. (If you do not have any other special filing situations described in this column, you can use Form MO-1040P—Short Form to file your taxes and claim the property tax credit/pharmaceutical tax credit/pension exemption.);
 - b. miscellaneous tax credits (taken on Form MO-TC);
 - c. a credit for payment made with the filing of a Form MO-60, Application for Extension of Time to File;
 - d. the self-employed health insurance deduction.
3. You have any of the following Missouri modifications:
 - a. Positive or negative adjustments from partnerships, fiduciaries, S corporations, or other sources;
 - b. Nonqualified distribution received from the Missouri Savings for Tuition Program (MO\$T);
 - c. Interest on federal exempt obligations;
 - d. Interest on state and local obligations;
 - e. Capital gain exclusion;
 - f. Exempt contributions made to or earnings from the Missouri Savings for Tuition Program (MO\$T);
 - g. Enterprise zone modification.
4. You owe a penalty for underpayment of estimated tax;
5. You are filing an amended return;
6. You owe recapture tax on a lump sum distribution included on Federal 1040, Line 40;
7. You owe recapture tax on low income housing credit;
8. You are a nonresident entertainer or a professional athlete.

Do You Have the Wrong Tax Book?

If you do not have any of the special filing situations described above and you choose to file a paper tax return, try filing a short form. The short forms are less complicated and provide only the necessary information for specific tax filing situations. The department wants to make your tax filing process as painless as possible by giving you an option to use simplified short forms to file your taxes.

If you qualify to use a short form, visit www.dor.state.mo.us/tax to select the easiest form for you.

Important Filing Information

This information is for guidance only and does not state the complete law.

FEDERAL ADVANCE REFUND CREDIT

Missouri will not tax the Federal Advance Refund Credit you received in 2001 or reduce your federal tax deduction as a result of the credit. The Internal Revenue Service (IRS) considers the check you received in 2001 a reduction of tax, not taxable income. The credit is not considered taxable income on your federal return or your Missouri return. The Missouri General Assembly passed legislation in September 2001 that ensured the federal tax deduction taken on your Missouri return is not reduced by any Rate Reduction Credit claimed on your federal return or any Federal Advanced Refund Credit check sent to you during the year. See information for Page 7, Line 11, to calculate your federal tax deduction correctly. If you follow the calculation provided, your federal tax deduction will not be reduced by the amount of your Rate Reduction Credit.

FILE A RETURN

If you were required to file a federal return and you were a:

- Resident of Missouri and you had Missouri adjusted gross income of \$1,200 or more; **or**
- Nonresident of Missouri and had income of \$600 or more from Missouri sources;

you must also file a Missouri income tax return.

If the taxpayer died in 2001, check the appropriate box and write the date of death after the decedent's first name in the name and address area of the return. If a refund is due to a deceased taxpayer, attach a copy of Federal Form 1310.

WHEN TO FILE

Calendar year taxpayers must file no later than **April 15, 2002**. Late filing will subject taxpayers to charges for interest and additions to tax. Fiscal year filers must file no later than the 15th day of the fourth month following the close of their taxable year. When the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed on the next business day.

EXTENSION OF TIME TO FILE

If you need additional time to file your Missouri income tax return, and do **not** expect to owe Missouri income tax, you may file an extension by filing Form MO-60, Application for Extension of Time to File or file an extension by **Telefile** on a touch-tone telephone at (800) 200-4842. An automatic extension of time to file will be granted until August 15, 2002.

If you receive an extension of time to file your federal income tax return, you will automatically be granted an extension of time to file your Missouri income tax return, provided you do not expect to owe any additional Missouri income tax. Attach a copy of your federal extension (Federal Forms 4868 or 2688) with your Missouri income tax return when you file.

If you expect to owe Missouri income tax, file Form MO-60 with your payment by the due date of the return.

Remember: An extension of time to file does not extend the time to pay. You are not required to file an extension if you do not expect to owe additional income tax or if you anticipate receiving a refund.

LATE FILING AND PAYMENT

Simple interest is charged on all delinquent taxes at the rate of 6 percent per year.

For timely filed returns, an additions to tax charge of 5 percent (of the unpaid tax) is added if not paid by the return's due date.

For returns not filed by the due date, an additions to tax of 5 percent per month (of the unpaid tax) is added for each month the return is not filed. The additions to tax cannot exceed 25 percent. **Note:** If you file an extension, a 5 percent additions to tax charge will still apply if the tax is not paid by the original return's due date, provided your return is filed by the extension date.

If you are unable to pay the tax owed in full on the due date, you may request a **Payment Plan** by completing Form 4338, Individual Income Tax Payment Request. See page 3 for information on how to obtain Form 4338.

WHERE TO MAIL YOUR RETURN

If you are due a **refund** or have **no amount due**, mail your return, and all required attachments to:

**Department of Revenue, P.O. Box 500,
Jefferson City, MO 65106-0500.**

If you have a **balance due**, mail your return, payment, and all required attachments to:

**Department of Revenue, P.O. Box 329,
Jefferson City, MO 65107-0329.**

DOLLARS AND CENTS

Rounding is required on your tax return. Zeros have been placed in the cent columns on your return. For cents .01 through .49, round down to the previous whole dollar amount. For cents .50 through .99, round up to the next whole dollar amount.

Example: Round \$32.49 down to \$32.00.

Round \$32.50 up to \$33.00.

REPORT OF CHANGES IN FEDERAL TAXABLE INCOME

When your federal taxable income or federal tax liability is changed as a result of an audit or federal notification by the Internal Revenue Service, or if you file an amended federal income tax return, you must report such change by filing an amended Missouri income tax return with the department within 90 days of the change. Failure to notify the department properly within the 90 day period extends the statute of limitations to one year after the Department of Revenue becomes aware of such determination either from the Internal Revenue Service or the filing of the amended return. You will be subject to charges for interest and additions to tax if you owe additional tax to Missouri.

AMENDED RETURN

Missouri does not have a special form for amending individual income tax returns. **Use Form MO-1040 for the year being amended, check the box near the top left of the form to indicate an amended return, complete the entire return using the corrected figures, and attach all schedules that are affected by the corrections. Attach a copy of the federal change or federal amended return.** Use Form MO-1040 even if you originally filed Form MO-1040A, Form MO-1040B, Form MO-1040C, Form MO-1040P, electronically filed, or telefiled.

MISSOURI REFUND INQUIRY LINE

The Department of Revenue has an automated individual income tax refund inquiry line. The system is available 24 hours a day to check on the status of your **current** year refund and can be accessed by visiting www.dor.state.mo.us/tax or dialing toll-free, **(800) 411-8524**. The following information is required to obtain the status of your Missouri refund: 1) the first social security number on the return, 2) the filing status shown on your return, and 3) the exact amount of the refund in whole dollars. If you call to find out about the status of your Missouri refund and do not receive a mailing date, please wait seven days before calling back.

RESIDENT

A resident is an individual who either 1) maintained a domicile in Missouri, or 2) did not maintain a domicile in Missouri, but did have permanent living quarters and spent more than 183 days of the taxable year in Missouri.

Exception: An individual, domiciled in Missouri, who did not maintain permanent living quarters in Missouri, and did maintain permanent living quarters elsewhere, and spent 30 days or less of the taxable year in Missouri is not a resident.

Domicile: The place an individual intends to be his/her permanent home; a place that he/she intends to return whenever absent. A domicile, once established, continues until the individual moves to a new location with the true intention of making his/her permanent home there. An individual can have only one domicile at a time.

NONRESIDENT

A nonresident is an individual who does not meet the definition of resident. If required to file, nonresidents with income from another state must use Form MO-NRI to determine income percentages. *(NONRESIDENT ALIENS must use the same filing status as used on the federal return and must itemize deductions.)*

PART-YEAR RESIDENT

A part-year resident is treated as a nonresident. **However**, a part-year resident may determine tax as a resident for the entire year using Form MO-CR. A part-year resident may use Form MO-CR to take a credit for taxes paid to another state or Form MO-NRI to determine income percentages.

MILITARY PERSONNEL

The Soldiers and Sailors Civil Relief Act prevents military personnel from being taxed on military income by any state other than their home of record state.

Missouri Home of Record

If you entered the armed forces in Missouri, your home of record is presumed to be Missouri and you are presumed to be domiciled in Missouri.

Missouri Home of Record—Stationed Outside Missouri

If you: (a) maintained no permanent living quarters in Missouri during the year; (b) maintained permanent living quarters elsewhere; and (c) did not spend more than 30 days of the year in Missouri; you are considered a *nonresident* for tax purposes and your military pay, interest, and dividend income are not taxable to Missouri. *Complete Form MO-NRI and attach to Form MO-1040.*

If your spouse remains in Missouri while you are stationed outside Missouri, your total income, including your military pay, is taxable to Missouri.

Missouri Home of Record—Stationed in Missouri

If your home of record is Missouri and you are stationed in Missouri due to military orders, all of your income, including your military pay, is taxable to Missouri.

Entering or Leaving the Military—Missouri Home of Record

If you are entering or leaving the military and Missouri is your home of record, and you spend more than 30 days in Missouri, your total income, including your military pay, is taxable to Missouri.

Non-Missouri Home of Record—Stationed in Missouri

The military pay of nonresident military personnel stationed in Missouri due to military orders is not taxable to Missouri. *Complete Form MO-NRI only (a Missouri return is not required).* **However**, any income earned by you or your spouse in Missouri, other than military pay, is taxable to Missouri. *If this applies, complete Form MO-1040 and attach Form MO-NRI.*

OTHER STATE INCOME

You must begin the Form MO-1040 with your total federal adjusted gross income, as reported on your federal return. Lines 1 through 25

of the return are computed as if you are a full-year resident. Tax (Line 25) is computed on all your income, and is then reduced by a resident credit (Line 26), or by a Missouri income percentage (Line 27). The result is a prorated Missouri tax liability (Line 28) based only on the income earned in Missouri.

DECLARATION OF ESTIMATED TAX

Residents and nonresidents are required to make a declaration of estimated tax if their Missouri estimated tax is expected to be at least \$100. If you are required to make estimated tax payments, you must do so by remitting your tax payment along with the Form MO-1040ES, Estimated Tax Declaration for Individuals. Failure to file Form MO-1040ES and make timely payments will result in interest being charged on the underpaid amount.

ADDRESS CHANGE

If you move after filing your return, notify both the post office serving your old address and the **Department of Revenue** of your address change. **Address change requests should be mailed to: Department of Revenue, P.O. Box 2200, Jefferson City, MO 65105-2200.** This will help in forwarding any refund check or correspondence to your new address as promptly as possible.

COMPOSITE RETURN

Businesses filing a composite return on behalf of their nonresident partners or shareholders should use Form MO-1040. Attach a schedule listing the name, address, identification number, and amount of each nonresident partner and/or shareholder's income from Missouri sources to Form MO-1040. Write "composite return" at the top of Form MO-1040. Refer to Missouri Regulation 12 CSR 10-2.190 for complete filing instructions. **Note: The tax rate for a composite return is 6 percent.**

CONSUMER'S USE TAX

Consumer's use tax is a tax imposed on goods purchased for storage, use, or consumption from out-of-state sellers who are not registered with the state of Missouri to collect the tax. Consumer's use tax laws are very similar to sales tax laws.

When you purchase tangible personal property outside the state of Missouri totaling **more than \$2,000** in a calendar year, which Missouri use tax has not been charged and collected by the seller, you are subject to the payment of use tax. See Form 4340, Consumer's Use Tax Return, included in this book, for more information. **The due date for Form 4340 is April 15, 2002.**

WORKSHEET FOR LINE 1 — Instructions for Completing the Adjusted Gross Income Worksheet

Enter the part of the total income that is yours in Column Y and your spouse's portion in Column S. Income received from jointly held property — such as businesses, farm operations, dividends, interest, rent, and capital gains (losses) — must be allocated to each spouse in proportion to his/her percentage of ownership in the property. (For example, you may own 50 percent of the business and your spouse may own the other 50 percent. Accordingly, business income would be split 50 – 50 between the spouses.) Taxable social security benefits must be allocated between each spouse based on the proportionate share of gross social security benefits

received for the tax year times Federal Form 1040A, Line 14b or Federal Form 1040, Line 20b. State refund should be split according to your and your spouse's Missouri tax withheld in 2000, less your and your spouse's Missouri tax (Form MO-1040, Line 30). The result is your portion of the total 2000 refund. The amounts for yourself and your spouse should total your Missouri refund for 2000. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Line 1Y and 1S. The total of Line 18Y and 18S must be equal to Federal Form 1040EZ, Line 4, Federal Form 1040A, Line 19, or Federal Form 1040, Line 33.

CONSUMER'S USE TAX

Consumer's use tax is a tax imposed on goods purchased for storage, use, or consumption from out-of-state sellers who are not registered with the state of Missouri to collect the tax. Consumer's use tax laws are very similar to sales tax laws.

When you purchase tangible personal property outside the state of Missouri totaling **more than \$2,000** in a calendar year, which Missouri use tax has not been charged and collected by the seller, you are subject to the payment of use tax. See Form 4340, Consumer's Use Tax Return, for more information. **The due date for Form 4340 is April 15, 2002.**

Important: Complete your federal return first.

If you are filing a fiscal year return, indicate the beginning and ending dates on the line provided near the top of Form MO-1040.

STEP 1 NAME(S), ADDRESS, ETC.

If you received a postcard from the Department of Revenue or an income tax instruction book, verify that the information on the label is correct. If all address information is correct, attach the label to Form

MO-1040 and print or type your social security number(s) in the spaces provided. If you did not receive a postcard or a book with a label, or the label is incorrect, print or type your name(s), address, and social security number(s) in the spaces provided. If either taxpayer is deceased, check the appropriate box.

Enter your county of residence, and the correct number of the public school district in which you reside. See school district numbers on pages 15 and 16. (If you are a nonresident, you should enter 347 for the school district number and "NONR" for the county. If you were a part-year resident, enter the school district number and county in which you resided as a resident.)

AGE 65 OR OLDER AND/OR BLIND

If either you or your spouse qualifies for the 65 years of age or blind deduction on your federal return, check the appropriate boxes.

100 PERCENT DISABLED PERSON

If you or your spouse is a 100 percent disabled person, check the appropriate box.

Disabled: The inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. A claimant is not required to be gainfully employed prior to such disability to qualify for a property tax credit. You may visit the department's web site at www.dor.state.mo.us/tax to learn more about the property tax credit claim.

NON-OBLIGATED SPOUSE

If you or your spouse have any other liability due the state of Missouri, your income tax refund may be applied to that liability in accordance with Section 143.781, RSMo. If you are filing a combined return and the state of Missouri is seeking to use your or your spouse's state tax refund to offset a state liability, you or your spouse are entitled to receive your portion of the combined return refund as a non-obligated spouse. Check the appropriate box if you or your spouse are a non-obligated spouse and wish to receive your portion of the refund. The non-obligated spouse refund apportionment applies to state agency debts only.

Internal Revenue Service (IRS) offsets are excluded from the non-obligated spouse refund apportionment. All debtor appeals or complaints concerning Missouri individual income tax refunds withheld for the IRS are handled by the IRS.

Failure to attach these copies will result in the disallowance of your pension exemption.**

LINE 9—FILING STATUS AND EXEMPTION AMOUNT

Check the box applicable to your filing status. You must use the same filing status as on your Federal Form 1040 with two exceptions:

2. Box E may be checked **only** if all of the following apply: 1) you checked Box 3 (married filing separate return) on your federal return; 2) your spouse had no income and is not required to file a federal return; and 3) your spouse qualifies as an exemption on your return and was not a dependent of someone else.

Only one box may be checked on Line 9, Boxes A through G.

Enter on Line 9 the amount of exemption claimed for your filing status on Lines A through G. The amounts are listed on Form MO-1040. **Caution: If you checked Box B (claimed as a dependent on another person's federal tax return), enter "0" on Line 9. You may only check one box.**

LINE 10—MISSOURI STANDARD DEDUCTION OR MISSOURI ITEMIZED DEDUCTIONS

If you itemized deductions on your federal return, you may itemize deductions for Missouri or take the standard deduction, whichever is to your advantage. However, if you were **required** to itemize deductions on your federal return, you **must** itemize deductions on your Missouri return. If you claimed the standard deduction on your federal return, you must also claim the **standard deduction** on your state return.

If you or your spouse marked any of the boxes for 65 or older, blind, or claimed as a dependent, see your federal return for your standard deduction amount.

***Note:** If you check "NO" on Federal Form 1040EZ, Line 5, enter \$4,550 if single or \$7,600 if married.

If you **itemize your deductions**, you must complete Form MO-A, Part 1. See Information for Completing Form MO-A, Part 1, on page 10. If you itemize deductions, enter on Form MO-1040, Line 10, the amount from Form MO-A, Part 1, Line 11.

Note: If you itemize deductions, you must attach a copy of Federal Form 1040 (pages 1 and 2) and Federal Schedule A.

LINE 11—FEDERAL INCOME TAX

Enter on Line 11 your federal income tax from your federal return.

- Federal Form 1040—Line 52 plus Line 47 minus Lines 41 and 61a

- Federal Form 1040EZ—Line 11 minus Line 9a
- Federal Telefile Tax Record—Line K(2) (Tax—second box) minus Line L(2) — second box

Do not enter the amount of federal tax withheld. Do not enter the amount shown on your Form W-2(s). Do not include earned income credit. If a negative amount is calculated, enter "0" on Line 11. (Example: Federal tax is \$1,500 and the earned income credit is \$1,550, the amount to be entered on Line 11 of Form MO-1040 would be "0".) If you made an entry for tax on a Lump Sum Distribution included on Federal Form 1040, Line 40, **attach** a copy of Federal Form 4972 if "checked" on your federal return.

LINE 12—OTHER FEDERAL TAX

Enter the total amount of Lines 41, 43, and 55 and any recapture taxes included on Line 58 from Federal Form 1040. **Do not** include FICA tax, railroad retirement tax, or self-employment tax on this line. **Attach a copy of your federal return (pages 1 and 2). To qualify for the elderly dependent deduction, your dependent(s) included on Line 15 must have attained the age of 65 years of age on or before the last day of the taxable year. (From Line 3 of the short worksheet, Federal Form 1040 instructions, page 30, or Line 15 of the long worksheet (see Publication 535) used to calculate your Federal Self-employed Health Insurance Deduction.) C) \$ _____

LINE 18 — LONG-TERM CARE INSURANCE DEDUCTION

Qualifying long-term care insurance is defined as: insurance coverage for a period of at least 12 months for long-term care expenses, should such care become necessary because of chronic health conditions and/or physical disabilities including

cognitive impairment or the loss of functional capacity, thus rendering an individual unable to care for themselves without the help of another person.

LINE 20 — SUBTOTAL

Subtract Line 19 from Line 6. If less than zero, enter "0". **Do not enter a negative amount.**

LINE 21 — ALLOCATION OF TAXABLE INCOME

Missouri allows for the division of income between spouses. Taxpayers filing a combined return pay less tax by dividing the income between spouses and then determining the tax amount for each person's income. **Do not use the combined income of you and your spouse to figure the amount of tax due.** If you are filing a combined return, multiply the amount on Line 20 by the percentages on Lines 7Y and 7S. Enter the results on Lines 21Y and 21S. If you are not filing a combined return, enter on Line 21Y the amount entered on Line 20. Round all amounts to the nearest whole dollar. (Example: If Line 7Y is 82 percent, Line 7S is 18 percent and Line 20 is \$20,000, you would multiply 82 percent by \$20,000 = \$16,400 and multiply 18 percent by \$20,000 = \$3,600. You would enter \$16,400 on Line 21Y and \$3,600 on Line 21S.)

LINE 22 — ENTERPRISE ZONE INCOME MODIFICATION

If you or your spouse have exempt income from a business facility located in an enterprise zone that has been approved by the **Department of Economic Development**, enter one-half of the Missouri taxable income attributed to the new business facility in the enterprise zone (refer to Form 4354) on Line 22. Section 135.205, RSMo, defines the criteria for a business facility to qualify for an enterprise zone income modification. You may **not** claim the modification without notification of approval from the **Department of Economic Development**. For additional information, you can access www.ecodev.state.mo.us or contact the Department of Economic Development, Incentives Section, P.O. Box 118, Jefferson City, MO 65102-0118.

STEP 4

FIGURE YOUR TAX

LINE 25 — MISSOURI TAX

If both you and your spouse have income, determine **each** of your taxes from the tax table provided on Form MO-A, Page 1. Enter the

results on Lines 25Y and 25S. If not filing a combined return, enter the tax amount on Line 25Y.

Note: A taxpayer filing as a resident who has paid taxes to another state or a taxpayer filing as a nonresident may reduce his/her tax liability by using either Form MO-CR or Form MO-NRI. You are not entitled to both a resident credit on Line 26 and a Missouri income percentage on Line 27. Form MO-CR and Form MO-NRI may not be used by the same taxpayer on Form MO-1040. (If filing a combined return, you may use Form MO-NRI and your spouse may elect to use Form MO-CR.) See Lines 26 and 27.

LINE 26 — RESIDENT CREDIT FOR INCOME TAXES PAID TO OTHER STATES (RESIDENTS AND PART-YEAR RESIDENTS FILING AS RESIDENTS)

If you were required to pay income tax to another state, you may be entitled to claim a tax credit against your Missouri income tax liability for the tax paid to the other state. To determine your allowable tax credit, complete Form MO-CR, Credit for Income Taxes Paid to Other States. If filing a combined return, and you and your spouse are both entitled to a credit for income taxes paid to another state, both must complete a separate Form MO-CR. **Note:** Attach Form MO-CR and a copy of the other state's income tax return with your Missouri return. The credit for income taxes paid to other states will not be allowed if the other state's income tax return is not attached.

LINE 27 — MISSOURI INCOME PERCENTAGE

If you were a nonresident of Missouri or a part-year resident filing as a nonresident, you may be entitled to reduce your Missouri income tax liability. Form MO-NRI, Missouri Income Percentage, must be completed to determine the percentage(s) that can be applied to your tax on Line 25 to reduce your Missouri tax liability. Complete Form MO-NRI included in this book. After determining the percentage(s), enter the percentage(s) on Lines 27Y and 27S (if filing a combined return) or on Line 27Y (if not filing combined return).

Check the appropriate box if either you or your spouse are a professional entertainer or a member of a professional athletic team.

Note: Do not use "NONE" on Line 27. Make sure that Line 27 shows an amount from 0 to 100 percent. Attach Form MO-NRI and a copy of your federal return (pages 1 and 2) with your Missouri return.

LINE 28 — BALANCE

If you are not entitled to either a credit for taxes paid to another state or a Missouri income percentage reduction of tax liability, enter the amount(s) from Line 25 on Line 28. If you are entitled to a resident credit on Line 26 for income taxes paid to another state, subtract Line 26 from Line 25 and enter on Line 28. If you are entitled to use a Missouri income percentage on Line 27, multiply Line 25 by the percentage on Line 27 and enter on Line 28.

LINE 29 — TAX ON LUMP SUM DISTRIBUTIONS AND RECAPTURE TAX ON MISSOURI LOW INCOME HOUSING CREDITS

Lump Sum Distributions. A taxpayer who receives a lump sum distribution may be required to file Federal Form 4972. Because this income is not included in your Missouri adjusted gross income, a separate calculation must be made to compute the Missouri tax on this distribution. You are subject to the tax if your state of legal residence was Missouri at the time you received the lump sum distribution. The amount of tax is 10 percent of your federal tax liability on the distribution received in 2001.

You must compute this tax by multiplying the amount shown as tax on a Lump Sum Distribution (Federal Form 4972) by 10 percent (.10). For example, if your Federal Form 1040, Line 40 includes \$1,000 tax as a result of a Lump Sum Distribution (Federal Form 4972), the amount of tax you would have to show on Form MO-1040, Line 29, would be \$100. Check the Lump Sum Distribution box on Line 29. **Attach a copy of Federal Form 4972.**

Recapture Tax. If you are required to recapture a portion of any federal low income housing credits taken on a low income housing project, you are also required to recapture a portion of any state credits taken. The state recapture amount is the proportion of the state credit that equals the proportion the federal recapture amount bears to the original federal low income housing credit amount. **Attach a copy of your federal return (pages 1 and 2) and Federal Form 8611.**

STEP 5

LINE 39 — PHARMACEUTICAL TAX CREDIT

If you were age 65 or older as of December 31, 2001, and you are a resident of Missouri, you may receive a pharmaceutical tax credit of up to \$200. If your Missouri adjusted gross income on Form MO-1040, Line 5Y or Line 5S is \$15,000 or less, enter the amount of your pharmaceutical expenses (not to exceed \$200) for yourself and/or the amount of your spouse's pharmaceutical expenses (not to exceed \$200). Enter the total for yourself and your spouse on Line 39. If your Missouri adjusted gross income on Line 5Y or Line 5S exceeds \$15,000, your credit must be reduced by \$2 for every \$100 your income exceeds the \$15,000 limit. Use the chart below to figure your credit and enter the amount on Line 39. **You must be age 65 or older on or before December 31, 2001, to receive the credit.**

You are not eligible for the credit if you received full reimbursement for the cost of legend drugs purchased with a prescription from Medicare or Medicaid, or you are a resident of a local, state, or federally funded facility. If you did not have any pharmaceutical expenses, enter "0" on Line 39. (If Line 39 is blank, the department will assume you had no expenses.) You do not have to attach supporting documentation to your return, but your supporting documentation should be retained with your tax records.

Round To The Nearest Whole Dollar

EXAMPLE: If you are 65 or older and Line 5 is \$15,450, your credit on Line 39 is \$190.

If your pharmaceutical expenses were less than \$200 and your Missouri adjusted gross income is more than \$15,000, reduce your credit by \$2 for every \$100 your income exceeds \$15,000.

If credit amount is less than \$200 and Missouri adjusted gross income is more than \$15,000, subtract \$15,000 from your Missouri adjusted gross income (Line 5) and divide by 100 (round up to the next whole number). Multiply the result by \$2 and subtract this amount from your pharmaceutical expenses to determine your credit amount.

Example: Your Missouri adjusted gross income (Line 5) is \$15,675 and your pharmaceutical expenses were only \$100. (\$15,675 – \$15,000 = 675; 675 / 100 = 6.75 (7 rounded up to the next whole number); 7 x 2 = \$14; \$100 – \$14 = \$86)

STEP 7

FIGURE YOUR REFUND OR AMOUNT DUE

LINE 44 — OVERPAYMENT

If Line 40 is larger than Line 31, or if filing an amended return, Line 43 is larger than Line 31, enter the difference (overpayment) on Line 44. All or a portion of an overpayment can be refunded to you. You can request that all or a portion of your overpayment be applied to your next year's estimated taxes (see Line 45), or you can request that all or a portion of your overpayment, but not less than \$2.00 (\$4.00 if filing a combined return), be contributed to a trust fund(s) (see Line 46).

LINE 45 — ESTIMATED TAX CARRY FORWARD

If you wish to have all or a portion of your 2001 overpayment on Line 44 applied to your 2002 estimated tax account, enter the amount on Line 45.

LINE 46 — TRUST FUND CONTRIBUTIONS

Enter on Lines 46a, 46b, 46c, and 46d any portion of your overpayment you wish to contribute to the following trust funds. If you file an amount due return and wish to contribute to the Children's Trust Fund, Veterans Trust Fund, Elderly Home Delivered Meals Trust Fund, or Missouri National Guard Trust Fund, enter the amount on Line 46a, 46b, 46c, or 46d and attach a **separate check** for this amount. The amount contributed must be a minimum of \$2.00 or more for each trust fund (\$4.00 or more for each trust fund if filing a combined return).

Children's Trust Fund — Children's Trust Fund, Missouri's Foundation for Child Abuse Prevention, is a non-profit organization dedicated to the vision of children free to grow and reach their full potential in a nurturing and healthy environment free from child abuse and neglect. Rather than reacting to abuse after the fact, Children's Trust Fund provides funding for education, public awareness, training, and community-based prevention projects statewide that help support and strengthen families to prevent child abuse and neglect. Your contribution may be applied to the annual \$25 donation needed to acquire a one-year logo use authorization form, which is required to purchase the popular "prevent child abuse" license plate featuring the handprints logo. For more information, please contact: Children's Trust Fund, P.O. Box 1641, Jefferson City, MO 65102-1641, or call (573) 751-5147.

Veterans Trust Fund — The Veterans Trust Fund expands the Missouri Veterans Commission's ability to provide quality healthcare at its seven veterans homes, and to assist veterans and dependents through its Service to Veterans Program. Because of the availability of this fund, nursing care staff receive specialized training and assistance for the treatment of residents suffering from Alzheimer's, dementias, and other extraordinary ailments; and Veterans Service Officers and Assistants receive comprehensive training relating to veterans benefits. Contributions may be made at any time directly to: Veterans Trust Fund, c/o The Missouri Veterans Commission, P.O. Drawer 147, Jefferson City, MO 65102-0147.

Elderly Home Delivered Meals Trust Fund — The Elderly Home Delivered Meals Trust Fund provides an opportunity to support the home delivered meals program for Missouri's senior citizens. Over 5.5 million meals are provided each year to home bound senior citizens. These nutritionally balanced meals, delivered to the homes of seniors on the average of one meal per day, five days per week, help them live independently in their homes. The need for home delivered meals increases yearly as persons are living longer and may need assistance. For more information, please contact: Elderly Home Delivered Meals Trust Fund, c/o Division of Senior Services, P.O. Box 1337, Jefferson City, MO 65102, or call (573) 751-3082.

Missouri National Guard Trust Fund — The Missouri National Guard Trust Fund expands the capability to provide/coordinate Military Funeral Honors Ceremonies for veterans of Missouri and veterans buried in Missouri who have served their country in an honorable manner. Military Funeral Honors may be composed of "Two Member Detail" who may render honors, fold, and present the United States of America flag to primary next-of-kin, and sound Taps; "Four Member Detail" who may render honors, fire volleys, sound Taps, and fold and present the United States of America flag to primary next-of-kin; or "Veterans' Organization Detail" who may render honors, fire volleys, sound Taps, and fold and present the United States of America flag to primary next-of-kin. Contributions may be made at any time directly to Missouri National Guard Trust Fund, ATTN: NGMO-ZXM, 2302 Militia Drive, Jefferson City, MO 65101-1203.

LINE 47 — REFUND AMOUNT

Subtract Lines 45, 46a, 46b, 46c, and 46d from Line 44 and enter on Line 47. This is the amount of your expected refund. Errors on your return and an incomplete return (i.e., missing Form W-2(s), required schedules, etc.) will cause delays in processing your refund. Mail your return to: **Department of Revenue, P.O. Box 500, Jefferson City, MO 65106-0500.**

Note: If you have any other liability due the state of Missouri, such as child support payments or a debt with the Internal Revenue Service, your income tax refund may be applied to that liability in accordance with Section 143.781, RSMo. You will be notified if your refund is offset against any debt(s).

LINE 48 — UNDERPAYMENT

If Line 31 is larger than Line 40, subtract Line 40 from Line 31 and enter the difference (underpayment) on Line 48. **Amended return only** — If Line 31 is larger than Line 43, subtract Line 43 from Line 31 and enter the difference (underpayment) on Line 48.

LINE 49 — UNDERPAYMENT OF ESTIMATED TAX PENALTY

If the total payments and credits amount on Line 40 less Line 36 or Line 43 less Line 36, is less than 90 percent (66-2/3 percent for farmers) of the amount on Line 31, or if your estimated tax payments were not paid in full and on a timely basis, you may owe a penalty for failure to pay enough estimated taxes. However, you may be able to meet one of the exceptions explained on Form MO-2210, Underpayment of Estimated Tax for Individuals. You may be eligible to use the short method on Federal Form 2210 or if all withholding and estimated tax payments were made equally throughout the year and you do not annualize your income. If you owe a penalty, enter the penalty amount on Line 49. If you have an overpayment on Line 44, the Department of Revenue will reduce your overpayment by the amount of the penalty.

LINE 50 — AMOUNT DUE

Add Lines 48 and 49 and enter the total on Line 50. Attach a **check or money order** (U.S. funds only) payable to: Missouri Director of Revenue. Checks will be cashed upon receipt. **Do not postdate.** Payments must be postmarked by April 15, 2002, to avoid interest and late payment charges. The Department of Revenue may collect checks returned for insufficient or uncollected funds electronically. Mail your return and payment to: **Department of Revenue, P.O. Box 329, Jefferson City, MO 65107-0329.**

You may also pay by credit card by visiting www.dor.state.mo.us/tax or by calling toll-free (888) 296-6509. The department accepts Mastercard, Discover, and American Express. The following convenience fees will be charged to your account for processing:

<u>Amount of Tax Paid</u>	<u>Convenience Fee</u>
\$0.00–\$32.50	\$1.00
\$32.51–\$500.00	3.1%
\$500.01–\$1,500.00	2.6%
\$1,500.01 or more	2.3%

STEP 8 SIGN RETURN

You **must** sign the Form MO-1040. Both spouses must sign a combined return. If you pay someone to prepare your return, the preparer must also sign the return.

If you wish to authorize the Director of Revenue or delegate to release information regarding your tax account to your preparer or any member of your preparer's firm, indicate "yes" by checking the appropriate box.

FORM MO-A

Information to Complete Your Form MO-A

PART 1 MISSOURI ITEMIZED DEDUCTIONS

If you itemized deductions on your federal return, you may itemize your deductions for Missouri, or take the standard deduction, whichever is to your advantage. **You must attach a copy of your Federal Form 1040 (pages 1 and 2) and Federal Form 1040, Schedule A, with your Missouri return if you itemize deductions on your federal return.** If you were **required** to itemize your deductions on your federal return, you must itemize deductions on your Missouri return. **Do not use Form MO-A, Part 1 if you took the standard deduction on your federal return.**

LINE 1 — FEDERAL ITEMIZED DEDUCTIONS

On Line 1 enter the amount from Federal Form 1040, Line 36 (even if your federal itemized deductions were reduced by use of the federal itemized deduction worksheet). Include on Line 1 your **approved** cultural contributions (literary, musical, scholastic or artistic) to a tax exempt agency or institution that is operated on a not-for-profit basis. **Cash contributions do not qualify.** Contact the department at (573) 751-3505 to determine if your contribution qualifies.

LINE 2 AND 3 — SOCIAL SECURITY TAX (FICA)

Social security tax is the amount in the social security tax withheld box on your Form W-2(s). This amount cannot exceed \$4,985. Medicare is the amount in the Medicare tax withheld box on your Form W-2(s). Enter the total on Line 2. Repeat for **your spouse** and enter the total on Line 3.

LINE 4 AND 5 — RAILROAD RETIREMENT TAX

Include the amount of railroad retirement tax withheld from your wages, Tier I and Tier II, during 2001. This amount cannot exceed \$7,910. (Tier I maximum of \$4,985 and Tier II maximum of \$2,925.) Enter the total on Line 4. Repeat for **your spouse** and enter the total on Line 5.

If a person has both FICA and railroad retirement tax, the maximum deduction allowed is the amount withheld as shown on the Form W-2(s) less, either the amount entered on Federal Form 1040, Line 62, or, if only one employer, the amount refunded by the employer.

LINE 6 — SELF-EMPLOYMENT TAX

Include as your self-employment tax the amount from Federal Form 1040, Line 27.

LINE 8 — STATE AND LOCAL INCOME TAXES

The amount you paid in Missouri taxes is included in your federal itemized deductions, but must be subtracted to determine Missouri itemized deductions. Include on Line 9 the amount from Federal Form 1040, Schedule A, Line 5.

If your federal adjusted gross income from Federal Form 1040, Line 33, is greater than \$132,950 (\$66,475 for married filing separate), complete the Worksheet for Line 8 to determine the correct amount to subtract. If you do not complete the worksheet, your Missouri itemized deductions will be lower than they should be and you will pay too much tax!

LINE 9 — EARNINGS TAXES

If you live or work in the Kansas City or St. Louis area, you may have included earnings taxes in Line 8. Include on Line 9 the amount of earnings taxes withheld shown on your Form W-2(s).

LINE 11 — TOTAL MISSOURI ITEMIZED DEDUCTIONS

If your total Missouri itemized deductions are less than your standard deduction (see Page 4, Line 10), you should take the standard deduction on the front of Form MO-1040, Line 10, unless you were required to itemize your federal deductions.

PART 2 MISSOURI MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Form MO-A, Part 2, computes Missouri modifications to federal adjusted gross income. Modifications on Lines 1, 2, and 3 **include** income that is exempt from federal tax, but taxable for state tax purposes. Modifications on Lines 5, 6, 7, and 8 **exclude** income that is exempt from state tax, but taxable for federal tax purposes. If after reviewing the instructions for Part 2, you have no modifications, enter on Form MO-1040, Lines 3 and 5, the same amount(s) entered on Form MO-1040, Line 1.

LINE 1 — INTEREST ON STATE AND LOCAL OBLIGATIONS

If you received income from an obligation of a state or political subdivision of a state **other than Missouri**, enter the amount of that income, reduced by the related expenses incurred (management fees, trustee fees, interest, etc.) if the expenses are over \$500.

LINE 2 — PARTNERSHIP, FIDUCIARY, S CORPORATION, OTHER

Enter positive adjustments (additions), reported from partnerships, fiduciaries, S corporations, or other sources. The partnership, fiduciary, or S corporation must notify you of the amount of any such adjustment (addition) to which you are entitled. Check the boxes applicable on Line 2 and attach a copy of the notification received.

Net Operating Loss — Carryback/Carryforward: Enter as a positive adjustment (addition) the amount of your eligible net operating loss carryback/carryforward as computed on Federal Form 1045, Schedule A, Line 27; Federal Form 1045, Schedule B, Line 9; or Federal Form 1045, Line 11. **Note:** If your negative federal adjusted gross income includes a carryback/carryforward net operating loss from more than one year, include as a positive adjustment the amounts computed on Federal Form 1045 for all of the net operating loss years. If you have positive additions, you may have positive Missouri adjusted gross income even though there is a negative federal adjusted gross income resulting from a net operating loss. You must add back the total unused net operating loss carryback/carryforward to your federal adjusted gross income including any unused portion from a prior year.

Non-medical Withdrawal from Individual Medical Account (IMA): Any monies you withdraw from your Individual Medical Account (IMA) for non-medical purposes are taxable to Missouri. The interest earned on such monies is also taxable to Missouri. These taxable monies are reported on the statement provided by the administrator of the IMA.

Non-qualified Withdrawal from Family Development Account: The amount of annual deposits previously subtracted must be added to your federal adjusted gross income if the withdrawal from the account was not for a qualified use.

LINE 3 — MISSOURI SAVINGS FOR TUITION PROGRAM (MO\$T)

Any distribution made by the Missouri Savings for Tuition Program (MO\$T), not used for qualified higher education expenses, must be added to the participant's (taxpayer who made contributions to the plan) federal adjusted gross income. Early distributions (distributions not held for the minimum time established by the Missouri Higher Education Savings Program board) must be added to the participant's federal adjusted gross income. The amount of the distribution that must be added includes contributions previously exempt from state tax and deductible earnings generated from the program (if the earnings are not already included in federal adjusted gross income). The participant is responsible for adding the nonqualified distribution amount to his/her federal adjusted gross income. If the participant is deceased, the beneficiary of the savings program must claim the nonqualified taxable distribution as an addition to federal adjusted gross income on the Missouri income tax return.

LINE 4 — TOTAL ADDITIONS

Add Lines 1 through 3. Enter the totals on Form MO-A, Part 2, Line 4 and on Form MO-1040, Line 2.

LINE 5 — INTEREST ON EXEMPT FEDERAL OBLIGATIONS

Interest from **direct** obligations of the U.S. Government, such as U.S. savings bonds, U.S. treasury bills, bonds, and notes is exempt from state taxation under the laws of the United States. **Attach a detailed list or all Federal Form 1099(s).** Taxpayers who claim exclusion for interest from **direct** U.S. obligations must identify the specific securities owned, e.g., "U.S. savings bond". A general description such as "interest on U.S. obligation" or "U.S. Government securities" is **not** acceptable. (See Regulation 12 CSR 10-2.150 for the taxability of various U.S. Government related obligations.) Failure to identify the security will result in the disallowance of the deduction.

A federally taxed distribution received from a mutual fund investing exclusively in **direct** U.S. Government obligations is exempt. If the mutual fund invests in both exempt (direct) and non-exempt (indirect) federal obligations, the deduction allowed will be the distribution received from the mutual fund attributable to the interest on the

direct U.S. Government obligations, as determined by the mutual fund. **Attach a copy of the year-end statement** received from the mutual fund showing either the amount of monies received or the percentage of funds received from **direct** U.S. Government obligations, or a summary statement received from the mutual fund which clearly identifies the exempt and non-exempt portions of the U.S. Government obligation interest. The statement does not need to list each obligation separately. **Failure to attach the requested document will result in the disallowance of the deduction.**

In arriving at the amount of related expenses, the taxpayer may use actual expenses or a reasonable estimate. In general, the taxpayer should use the same or similar method used to compute related expenses for federal income tax purposes, provided that the method reasonably reflects related expenses for Missouri-exempt income.

If a taxpayer fails to compute reasonable related expenses, the Director of Revenue will make an adjustment based on the best information made available. If sufficient information is not made available or if the taxpayer's records do not provide sufficient information, the Director of Revenue will use the following formula to compute related expenses:

$$\frac{\text{Exempt income}}{\text{Total income}} \times \text{Expense items} = \text{Reduction to exempt income}$$

The principal expense item in this formula is interest expense; however, the Director of Revenue may include other expense items because of their direct relationship to the production of exempt income. The taxpayer may propose an alternative method provided that it properly reflects the amount of related expenses.

LINE 6 — STATE INCOME TAX REFUND

Enter the amount of any state income tax refund included in your federal adjusted gross income on Form MO-1040, Line 1 (from Federal Form 1040, Line 10). If the refund was issued to you and your spouse, the state refund should be split according to your and your spouse's Missouri tax withheld in 2000, less your and your spouse's Missouri tax (Form MO-1040, Line 30). The result is your portion of the total 2000 refund. The amounts for yourself and your spouse should total your Missouri refund for 2000. **Attach a copy of Federal Form 1040 (pages 1 and 2).**

LINE 7 — PARTNERSHIP, FIDUCIARY, S CORPORATION, RAILROAD RETIREMENT BENEFITS, OTHER

Enter negative adjustments (subtractions), reported from partnerships, fiduciaries, and S corporations. The partnership, fiduciary, and S corporation must notify you of the amount of any such adjustment (subtraction) to which you are entitled. Check the boxes applicable on Line 7 and attach a copy of the notification received. **Failure to attach a copy of the notification furnished to you will result in the disallowance of the modification.**

Railroad Retirement Benefits Administered by the Railroad Retirement Board, such as all Tier I and Tier II benefits and any railroad retirement sick pay, disability, and unemployment benefits, included in federal adjusted gross income (Form MO-1040, Line 1), are exempt from state taxation.

If you have other sources of negative adjustments, indicate the source on the line provided. Other sources of negative adjustments may be:

- (1) **Contributions into a Missouri Individual Medical Account (IMA).** Contributions that were made by your employer into an Individual Medical Account (IMA) and used to pay your health care expenses are exempt from Missouri income tax. The interest income earned on the IMA account is also exempt from Missouri income tax. The IMA contribution is identified in Box 14 of your Form W-2, Wage and Tax Statement. Reduce the amount of contributions by the amount of medical and dental expenses deducted on Federal Form 1040, Schedule A, Line 4, but paid for by the IMA and included in Missouri itemized deductions.

- (2) **Additional Capital Gain Deduction Due to Difference in Basis.** If during the taxable year you realized a gain from the sale of property or other capital assets that had a higher tax basis for Missouri tax purposes than for federal tax purposes, you may exclude the gain or the difference in the basis of the property so disposed, whichever is smaller. If the gain was considered a long term capital gain for federal income tax purposes, the exclusion is limited to the gain or 50 percent of the difference, whichever is smaller. No difference in basis can be claimed for any property obtained after December 31, 1972. If your basis for Missouri purposes is less than the basis for federal income tax purposes, no adjustment is required.
- (3) **Accumulation Distribution.** If during the year 2001, you received a distribution as beneficiary of a trust that was made from accumulated earnings of prior years and you filed Federal Form 4970, the amount may be excluded from Missouri income to the extent that it was reported in your federal adjusted gross income.
- (4) **Capital Gain Exclusion on Sale of Low Income Housing.** If during 2001, you sold a federally subsidized (HUD) low income housing project to a nonprofit or governmental organization, and at least 40 percent of the units are occupied by persons or families having incomes of 60 percent or less of the median income, you may exclude 25 percent of the capital gain from Missouri tax. However, the buyer of the property must agree to preserve or increase the low income occupancy of the project. To use this exclusion, enter as "other" 25 percent of the capital gain reported on your Federal Form 1040. **Attach a copy of your Federal Form 1040 (pages 1 and 2), Federal Form 4797, and an explanation.**
- (5) **Family Development Account.** A family development account holder may subtract the amount of annual deposits made to the account (not to exceed \$2,000). Approved withdrawals from the family development account are also exempt from state tax. Interest earned by a family development account is exempt from state taxation and may be subtracted from an account holder's federal adjusted gross income. Any money withdrawn for an unapproved use is subject to tax. **Attach proper certification and a copy of your Form 1099.**
- (6) **Restitution to Victims of the Nazi Holocaust.** A victim of the National Socialist (Nazi) persecution, actions, or policies (or a family member who is the first recipient of paid amounts) may subtract: 1) amounts received as restitution or reparations; 2) returns of tangible or intangible property seized, misappropriated, or lost as a result of national socialist (Nazi) actions or policies and any cash values in replacement of such property; 3) payments of insurance policies purchased prior to December 31, 1945, by the victims of National Socialist (Nazi) persecution; 4) any accumulated or accrued interest on such amounts, returns or payments from federal adjusted gross income. The amounts may be subtracted to the extent they are included in federal adjusted gross income.
- (7) **Federally Taxable—Missouri Exempt Obligations.** The amount of any bond issued by the Missouri Higher Education Loan Authority (MOHELA) including interest or proceeds resulting from the sale of the bond is exempt from Missouri tax. If the amount is included in federal adjusted gross income, the amount can be subtracted for Missouri tax purposes pursuant to Section 173.440, RSMo.

LINE 8—EXEMPT CONTRIBUTIONS —MISSOURI SAVINGS FOR TUITION PROGRAM (MO\$T)

The state of Missouri allows a subtraction from a participant's federal adjusted gross income for the amount of annual contributions made to the Missouri Savings for Tuition Program (MO\$T). The maximum annual exempt contribution per taxpayer is \$8,000 in the aggregate to

the extent included in federal adjusted gross income. Earnings generated from the savings program are also exempt and may be subtracted from the beneficiary's federal adjusted gross income. If you are a participant who is claiming a subtraction for a contribution made to the savings program, you must attach your statement provided by the program manager. If you are a beneficiary who is claiming a subtraction for earnings generated from the savings program, you must attach a copy of your Form 1099 issued by the program manager.

LINE 9—TOTAL SUBTRACTIONS

Add Lines 5, 6, 7, and 8. Enter the total on Form MO-A, Part 2, Line 9 and on Form MO-1040, Line 4.

Note: Do not include income earned in other states on Line 9. Complete Form MO-NRI (Missouri Income Percentage) or Form MO-CR (Credit for Income Taxes Paid to Other States). See Form MO-1040, Line 26 or Line 27.

2001 MISSOURI SCHOOL DISTRICT NUMBERS

Your Missouri school district number **must** be entered on your income tax return. This information is supplied to the State Department of Elementary and Secondary Education and is used in determining the amount of state aid to your school district.

Enter the number of the **public school** district where your residence is located.

The Missouri **public school** district names and numbers are listed alphabetically by school district name. Generally, the name of your **public school** district is also the name of the city, town, or village where your **public school** is located.

Do not write the name of the school district on the return. Enter only the number of the district in the following list. For example:

1. All **public schools** located in the City of Springfield are in "Springfield R-XII" School District, and No. **"475"** should be entered in the space provided.

2. All **public schools** located in the City of Columbia are in "Columbia 93" School District, and No. **"098"** should be entered in the spaces provided.

The following should be considered in determining your public school district number:

1. **Determine your public school district at the time of completing your return.**
2. If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
4. If you were a part-year resident of Missouri, enter the school district number of your residence while living in Missouri.
5. If you are a "nonresident" of Missouri, your school district number is **"347"**.

If you are unable to determine your school district number from these instructions, call the public elementary or public high school of your school district.
